

To: Joint Steering Committee for Development of RDA
From: Galen Jones, CILIP Representative
Subject: Court and Jurisdiction in RDA

CILIP thanks the Technical Working Group for its proposed revision.

CILIP are in agreement with recommendations 1-8 of the proposal. In recommendation 2, preference is for the use of the term 'religious' rather than 'ecclesiastical'.

CILIP suggests that clarification of the term 'jurisdiction' is required since it can refer to either place or corporate body.

CILIP accepts the proposal.
